## **Camp Lakey Gap Spring Camp Information April 21 & 22, 2012**

### **How will the weekend be structured?**

You are invited to come and enjoy camp in the spring on April 21st and 22<sup>nd</sup>. The weekend will be designed so that families can participate in the activities with their campers. We will have alumni staff on hand to lead activities, assist with campers as needed, and answer questions.

### **What will we be doing?**

Alumni staff will lead structured activities like arts and crafts, hikes, group games, and some of our special events. Of course some of our activities will depend on the weather. Remember, families will be expected to participate with their campers, so you will be your own counselor! We should have some extra staff on hand to help as needed though.

### **How do I know if the weekend is for us?**

If you have considered coming to camp, but want to meet some staff and see it in action first, then come and join us! Also, if you have been to camp before and you just can't get enough, come have some fun with us too. You can be a resource for the new families!

### **What is the cost and what does that include?**

The fee for the weekend is \$75 per person for the event. This includes lunch and dinner on Saturday and breakfast on Sunday, one night's stay in our Guest House, and fun activities! Registration will be from 9-10:45 AM on Saturday morning, with our first activity at 11:00. We will begin with a get to know you game and a tour of camp. Check out will be after breakfast on Sunday.

If your family needs to arrive on Friday and stay in our Guest House that evening, just call and arrange that with the camp director or our guest services coordinator.

### **How do I apply?**

Fill out the Camper Information Form and Permission Form that are available on the website under the 'forms' link. **Be sure to turn these in with your payment by March 30<sup>th</sup>** so that we are sure that we have enough staff here to help you have a fun weekend!!
